

TWO NORTH RIVERSIDE PLAZA

RECYCLING PROGRAM

Two North Riverside Plaza participates in an active recycling program. The focus of the program is to separate non-recyclable material and contaminated "wet" waste from waste identified as "recyclable". We will provide each **NEW** tenant with his/her own blue desk side container to be used for **paper** material only and a container for **aluminum, plastic, and glass only** to put in the break room. The evening janitorial crew will empty these containers when full. **In order for this program to be successful, the participation of each person is critical.**

Please complete the form below indicating how many desk-side containers you will need (one per employee) and if you will need the large, Slim Jim container for cans. This form may be returned to the Management Office in Suite 300 or emailed to cydney.hargro@cbre.com

If you have any questions, please do not hesitate to contact us at 312-466-4939

Thank you.
